

MUKESH DHADHARIYA

Bhagalpur, Bihar, India 813210

+91 9783609918 mukesh.230101075@iiitbh.ac.in github/mukeshdhadhariya mukeshdhadhariya

Education

Indian Institute of Information Technology Bhagalpur

Bachelor of Technology in Computer Science and Engineering

Aug 2023 – July 2027

Bhagalpur, Bihar

Board of Secondary Education, Rajasthan

12th (PCM) – 95 percent

10th – 92 percent

june 2019 – march 2021

Nagaur, Rajasthan

Skills

Languages: C++, C, JavaScript, CSS, HTML, Python

Tools & Frameworks: ReactJS, NodeJS, Git, Github, EJS, MongoDB, Socket io, Postman

CS Fundamentals: Data structures, Algorithms, OOPs, RestAPI, Design Patterns, DBMS

Experience

Web Dev Intern — MindShift Technology |

Jan 2025 – Feb 2025

Summer Internship (Software Development) — API Integration, Code Optimization, web development, testing

Remote

- Developed a fully functional **Full-Stack Blog Application** with features like user authentication, post creation, editing, and commenting.
- Led a team** to design and implement a scalable blog platform, integrating frontend, backend, and database management. Focused on improving user experience.

Product Management — IIIT-BHAGALPUR |

May 2023 – Jul 2023

Summer Internship (Software Development) — product design, web development, testing, Product Management

Bhagalpur, Bihar

- Developed a user-friendly working **union employee** website to integrate into one workzone on a commercial website.
- Led a project** (team of 6) and collaborated with college professionals to solve **Indian Labour Union Commission** problems by simplifying the warehouse multiple points, multiple workzone connected to each other.

Student Mentor — Adhayaay |

Aug 2024 – present

I am a student mentor and led a group of 20+ students as a mentor

IIIT BAHGALPUR

Projects

React Password Generator | ReactJS, NodeJS, CSS, PostgreSQL, RestAPI |

Mar 2023 - Jan 2024

- Developed a user-friendly **React application** to generate secure, customizable passwords.
- Implemented various features including **length customization, character type selection** (uppercase, lowercase, numbers, symbols), and copy-to-clipboard functionality.
- Ensured high performance and responsiveness across different devices through the use of modern **React hooks and functional components**.

Blog Website | JavaScript, CSS, NodeJS, MongoDB, Figma, Express, Ejs |

Apr 2023 - Jun 2024

- Created an interactive Blog website using Ejs, featuring a **Authentication, create blog, like and comment**.
- Focused on enhancing the user experience.

React Router Project | JavaScript, CSS, Tailwind, ReactJS |

Apr 2024 - Dec 2024

- Implemented React Router to manage **multi-page navigation** and enhance user experience.
- Developed **dynamic routing** to handle nested and parameterized routes efficiently.
- Optimized the application for **fast loading and smooth transitions** between pages, ensuring a seamless user interaction.

Real time chat app | *ReactJS, NodeJS, Tailwind CSS, mongodb, Express Socket io* | 

Mar 2024 - Aug 2024

- Developed a user-friendly **Chat application**. .

Rest Api | *Express, NodeJS, Cors, MongoDB, Aggregation pipeline* | 

Dec 2024 - Feb 2025

- Designed and implemented a **user login and registration system**, ensuring secure user authentication with token-based sessions.
- Developed features for **posting tweets, images, and videos with the ability to comment on posts**, using MongoDB's aggregation pipeline for efficient data retrieval and manipulation.
- Optimized database queries using **aggregation stages like \$match, \$group, \$sort, \$lookup, and \$project** to enhance performance and minimize response time for real-time interaction.

Achievements

- **Selected in IIIT NAGPUR Coding Round and get certificate**
- **Coding Ninja slayground 2.0** : get certificate of achivment and certificate of conqoure level 1,2,3
- **Solved 450+ Coding Questions:** Showed proficiency by solving over 450+ questions on [Leetcode](#) , [Coding Ninja](#) [GFG](#) and the rest on other platforms.
- **Achieved 2 Star on [CodeChef](#)** with 2* and total rating of 1400 points.
